APAC Strategic Plan 2027-2030

The APAC new strategic plan for three years is aligned to improve the importance of accredited conformity assessment activities, APAC MRA and cooperation among members.

APAC will closely work with other regional bodies, stakeholders and Global Accreditation Cooperaion to improve capacity and mutual acceptance. Harmonisation is one of the key objectives besides four strategic objective

Strategic Objectives

Technical Excellence and Capacity Building

Empower, Elevate, Expand

Digital Transformation and Innovation

Transform Today, Thrive Tomorrow

Stakeholder Engagement and Communication

Collaborate, Communicate, Co-create

Organisational Resilience and Governance

Leadership That Lifts All
